All the modern kitchen facilities are included with hot plates, wall oven, dishwasher and microwave. Tea and coffee making facilities are included and all crockery and cutlery is provided.

The modern open-plan living area has reverse-cycle air-conditioning, new furnishings and home theatre sound system with LCD television. Austar satellite TV channels are included.

Self-dial telephone, dial up modem point and complimentary broadband connections are available.

The room also has access to a private garden and deck and a sand pit for the children!

The unit has its own small laundry which includes a large space saver cupboard and in there you will find washing powder, iron and ironing board. For larger washes, the motel guest laundry is also available for your use for a small charge.

The new bathroom has a modern shower as well as a spa bath. The area is tastefully tiled and is spacious.

The main bedroom has a queen bed and lots of storage space in the large wardrobe.

The second bedroom has twin single beds, wardrobe space and a desk area.

Need a third bed? Tucked under one of the single beds is a trundle bed that can be rolled out and raised.

All linen is included in the tariff. Towels are changed daily if required and rubbish removed. Bed linens are changed each 3 to 4 days and if the unit is rented for more than one week, a full service and clean is provided at the end of each week.
