Refurbished 4 Stars Queen Room

Beachway is an ideal venue from which to explore the north west area of Tasmania. The motel has 28 rooms and sleeps up to 63 people. Straddling large landscaped gardens with guest BBQ, outdoor heated pool and spa (October to Easter), close to town and beach, makes Beachway a great location to relax and take in the laid-back lifestyle of Tasmania.

Ideally located - only 20 minutes from Devonport or Burnie - just one and a half hours from Launceston, Stanley, or Cradle Mountain - Beachway, with its reasonable rates is an great base from which to explore the north for one, two, three or even four days - without the need to pack and unpack every day!

Meals? No problem - Beachway has an excellent licensed restaurant open for breakfast every day of the year and open 5 nights a week - Tuesday - Saturday (except Public Holidays) for dinner.

All units are on the ground floor and parking is at the door.

When in the north of Tasmania - stay at the "gem" of the North - Beachway Ulverstone.
